EDUCATION

Colorado College, Colorado Springs, CO   Class of 2020
Bachelor of Arts, Major: Organismal Biology and Ecology; Classics
Honors: QuestBridge Match Scholarship

EXPERIENCE

Full-Stack Coding Course   Dec 2021-Jun 2022
University of Denver
- Collaborated with a team to display top ten gaining stocks and news stories about a selected or searched stock using data from the Financial Modeling Prep and Contextual Web Search APIs.
- Followed MVC paradigm structure to build an app where users can publish workouts and comment on other users' workouts.
- Created a full-stack MERN app that allows users to view, complete, and create tasks in their zip code.

Consumer Assistance Program Coordinator   July 2020-May 2022
Colorado Consumer Health Initiative
- Organized meetings and webinars for sharing resources, common healthcare issues, and solutions with partner organizations, other advocates, and assisters.
- Summarized program structure and operations, state health policy changes, and client case studies in effective large group presentations.
- Provided direct guidance with appeals, complaints, and financial assistance applications to assist in resolving medical billing and claims issues that threatened consumers' financial security

Help Desk Technician   Oct 2017-Mar 2020
Tutt Library ITS Solutions Center
- Assisted clients with technical issues such as password corruption, wireless internet connection troubleshooting, and wireless printing on both Mac and Windows devices
- Aided students, faculty, and staff with scanning, faxing, virtual reality software, 3D printing

LEADERSHIP AND ACTIVITIES

Donor/Fundraiser for The Giving Project   Jan 2021-June 2021
Chinook Fund
- Reviewed 26 grant applications and led two teams in conducting virtual site visits with Kaizen Food Rescue and Authentic Creations Apothecary
- Worked with 21 volunteer community members to fundraise $132,794 for 15 grassroots, social justice organizing groups across Colorado
